[Chienseating] Super huge Japanese dumplings! Is the taste g...

2,706,436 views • 1 year ago

Is it reasonable to have dumplings so big!!!

For me, it's for one person,
But I don't know about everyone (push glasses and then!

Remember to make an appointment three days ago!

Because the network has no information to mention this piece,

So the first time I went to the air, I wiped the tears.
